About BDO Technology & Life Sciences Practice

BDO has been a valued business advisor to technology and life sciences companies for over 100 years. The firm works with a wide variety of technology clients, ranging from multinational Fortune 500 corporations to more entrepreneurial businesses, on myriad accounting, tax and other financial issues.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms. BDO is the brand name for the BDO network and for each of the BDO Member Firms. Material discussed is meant to provide general information and should not be acted on without professional advice tailored to your firm's individual needs. © 2016 BDO USA, LLP. All rights reserved.
