

End-of-Support (EOS) Planning and Migration Readiness

Helping organizations prepare for the October 14 Microsoft EOS deadline and reduce risks from unsupported systems.

October 14, 2025 marks the End of Support (EOS) date for several widely used Microsoft products. After this date, these products will no longer receive regular updates—leaving organizations vulnerable to operational, security, and compliance risks.

BDO offers an EOS Planning and Migration Readiness engagement to help leaders assess risks, prioritize upgrades, and create an actionable migration plan aligned with business goals.

COMMON MICROSOFT PRODUCTS APPROACHING EOS:

- ▶ Windows 10
- ▶ Exchange Server 2019 and prior
- ▶ Microsoft Office 2019 and prior
- ▶ Microsoft Access 2019 and prior
- ▶ Visual Studio 2015 and prior
- ▶ Other Microsoft workloads as applicable

CLIENTS VALUE THESE KEY ASPECTS OF BDO'S SERVICES:
